短文改错(每小题 1 分)

My senior high school life started as military training (军训). It ~~was~~ consisted of two parts: the theory exam and the physical training, which lasted about two weeks. The latter was much tough than the former. Dressed in green uniforms and exposing to the sun, we had to follow the soldier daily routine and go through hard training. Each morning, we had to get up and fold quilts rapid. We should finish our meals in limited time, too. Then I think it unbearable. Besides, now looking back, I find it necessary. It is the military training that teaches me how to bear hardship and lead the better life.

One possible version:

Dear Peter,

I have some good news to tell you that the opening ceremony of the sports meeting of our school will take place next month. And I'd like to invite you to come to our school to enjoy this visual feast.

To promote traditional Chinese culture, the opening ceremony to be held on April 22 this year is much different from previous ones. Some cultural performances such as dragon dance and lion dance will be given. And some students will perform the breathtaking Chinese Wushu, which must be one of the most attractive parts. In addition, many parents are also invited to take part in the event. Hope you'll be interested in the event and accept my invitation. Looking forward to your instant reply.

Best wishes!

Yours sincerely,

Li Hua
